The Secret of Job Contentment

*Genesis 2:15, 3:17; 1 Corinthians 6:12, 10:31; 1 Thessalonians 4:1,11-12;
Colossians 3:17, 22-24; Philippians 4:2-3; Luke 14:31-33*

1. Are you content in your work, and why or why not?
2. Today we outlined a brief “theology of work” — a biblical perspective of work. What do you find surprising about the Christian perspective toward work, and how can that help you find job contentment?
3. We also discussed three concrete ideas to increase your job contentment without making a change. How can redefining your ambition help you find contentment? How about redefining your boss? How about redefining your role? What if you’re just not in the right job — what can you do?
