

Series: *Men Reaching Men*

Getting a Man to Say Yes

Romans 15:7, 1 Thessalonians 5:11

Colossians 3:16-17, Galatians 6:2

1. What makes you want to say yes when someone asks you to do something?
2. Have you ever seen someone “run the bases” on the relational diamond backwards? What happened?
3. Do you have, or have you ever had, a “friend closer than a brother”? Someone that truly shares your burdens? Who is/was it? What did it take to get there?
4. The “one anothers” -- Accept. Encourage. Exhort. Bear burdens. What are some concrete ways you can do each of these for the brothers around you this morning or in another group you are in?

Each week we have given you an action step. This week, consider starting to meet 1-1 with another man to develop an intentional spiritual friendship. Or, keep developing an intentional spiritual friendship with another man by (a) invite him to start meeting with you regularly; or, (b) come with you to the Man in the Mirror Bible Study or another small group.

Also, please take the Making an Impact survey with you to fill out and bring with you next week.
