How to Handle Disappointment

Matthew 9:35-38

1. Have you been disappointed at some point when you tried to help a man? What happened? What was your next step?
2. Is it easier for you to connect with men who already “want to get better?” Why do you think that is? How could seeing men as “harassed and helpless” change your heart and mind?
3. Think of someone that God has placed in your life. How could you go to where they are and get on their turf to show them that your love them? Share a practical next step with the group.

This week, if you haven't already done it, take a man to coffee. Pray for him, and at a subsequent interaction take a next step with him by meeting him on his turf. Or, invite him to take a next step with you by inviting him to this Bible Study, a church event, or a community event that could help draw him closer to Christ. We want to hear how it goes! Send your testimony either in writing or a cell phone video to patrickmorley@maninthemirror.org
