

## “Why Should I Go To Church?”

*Hebrew 10:25*

1. What church do you attend (if you attend one)? Why do you go there?
2. How important do you think it is to be a member of a church? What do you get out of it that you wouldn't if you were just a casual attender?
3. “Most life change happens in the context of relationships.” Do you agree with this statement? Why or why not? How does this relate to your experience in church?
4. Isolation, ignorance, self-centeredness, insignificance, – do you think the church can help men avoid these? How?
5. The church was made for you, and you were made for the church. What are some additional ways beyond what was discussed that this is true?
