The Battle for Men's Souls

John 10:10, Matthew 28:18-20

1. Do you agree or disagree that men's discipleship is a moral issue, and why or why not?
2. Which of these 10 statements are True or False based on your own experience?
 1. ___ The "men problem" has become a crisis that is virtually out of control.
 2. ___ The collateral damage among families is staggering.
 3. ___ Men under 40 are especially vulnerable to an alien worldview that is gutting the institutions of marriage and family.
 4. ___ Our government agencies, social sector organizations, and businesses are overrun trying to cope with the downstream damage of an increasingly fatherless, angry, and dysfunctional generation.
 5. ___ Behind virtually every human tragedy you will find the failure of a man.
 6. ___ We have a "men problem" because we have a "church problem."
 7. ___ The vast majority of churches have almost no plan to disciple their men. (Apologies if your church is the exception).
 8. ___ Anything less than a plan to disciple every willing man is a moral failure of historic proportion.
 9. ___ No problem we need to be working on is more important "men's discipleship."
 10. ___ Until churches begin discipling vast numbers of men, our country will continue its rapid moral and spiritual decline.
3. Can you think of ANYONE other than the church (us, as ambassadors of Christ) who can save our men and their families? When it comes to men's discipleship, what do you think the Master needs from you?
