

## Scandal & Corruption: How the Gospel Cleans Us Up

*Genesis 3*

1. Sin is not just something we do, but a taint on our souls. Do you agree with this? How do you see that play out around you?
2. Adam's mistakes were related to his identity, inaction and isolation. Do you see this at work in your own life?
3. How does the Gospel help us address these three issues? Which one do you struggle with the most and how could pursuing Christ help you address that issue?
4. Spend a few minutes praying for each other about these struggles.

Who do you know ready 4 a career in men's discipleship?
