

## Being a Dead Slave Leads to a Free Life

*Romans 6*

1. Why do you think it is hard for so many men to be under someone else's authority?
2. According to this passage, how did we die? To what? What difference does Paul say this should make in our lives?
3. Too many men try to "wear Jesus loosely" and fit him into their agenda and lifestyle. In the past, how have you been guilty of following Jesus so he can do things for you? How do we get beyond that so we can truly live a surrendered life?
