

## Legacy & Blessing

*Genesis 48*

1. How would it change the way you live your life if you knew when – at least approximately – you were going to die?
2. What would be the most important things about your life that you would want to be sure to tell others about?
3. Was there anything different about Jacob's blessings that were different than you would expect a "blessing" to be?
4. Is there unfinished business in your life today? What do you need to do to finish it?

Who do you know ready 4 a career in men's discipleship?
