John 14:15-24

1. What's wrong with this statement and why: "I know I was saved by faith, but now it's up to me to prove that God didn't make a mistake."
2. What is the basis for our obedience according to today's text? Why is obedience a response to the gospel as opposed to the way we get it?
3. Who do you know who has been seriously messed up by legalism, and what have you heard today that can help you disciple them into the true gospel of Jesus? Alternatively, who do you know who is living licentiously, and what have you heard today that can help you disciple them into the true gospel of Jesus?

Our mission is to help you grow as a disciple and disciple-maker.
