Spending Money God's Way

Matthew 6:19-24

1. How much did you learn about handling your finances from your father?
2. If you could give one piece of financial advice to a young man about to start his career, what would it be?
3. Do you think your actions with money are a window on your attitudes about God? Why or why not?
4. Where do you need to change the most: your beliefs about God's grace and provision, your knowledge about how you spend and how you plan to spend, or your behaviors in budgeting and following through? What is one step you could take to improve in one or more of these areas?
