Fear

*Hebrews 4:15-16, 1 Corinthians 10:13, 2 Timothy 1:7,
Proverbs 3:25-26, Matthew 14:22-31*

1. Everyone struggles with fear: What if this deal falls through? Will she ever feel safe with me again? Will I be able to make payroll? Is it cancer? How am I going to pay my mortgage? What kind of world are my children going to grow up in? Fear is a normal human emotion. What is your greatest fear right now?
2. In Matthew 14:22-31, Jesus and Peter had an exchange that gives us a lot of insight into how much God cares about us—and today's other texts do the same. Based on today's lesson, how would you summarize what God wants to say to you about fear?
3. What is something that, like Peter, you started with strong faith, but now you've "seen the wind" and it's going all wrong? What have you learned, or been reminded of today, that can give you the upper hand on fear?
