Integrity: What's the Price?

Luke 16:10-12, Job 2:3, 42:12

1. Most men cut corners on little things (e.g., speeding, taking office supplies for personal use, not tithing, not treating rental property/cars like their own). AGREE/DISAGREE. Explain your answer, and give an example.
2. In Luke 16:10-12, what is the point Jesus makes about the relationship between big and little things? What does Jesus say is the impact of cutting corners?
3. Most of us make dozens of integrity decisions each day. But we can ease the pressure of getting it wrong by making a once-for-all commitment to never cut any little corner anywhere, no matter how small, insignificant, or inconsequential it may appear. Of course, we can't do this in our own strength. But Christ in us can. If you have not already done so, are you willing to make a pledge to "scrupulous integrity," in utter dependence on Christ to give you the strength to do so?
