Priorities: How To Decide What's Important

Luke 4:42-44, Luke 7:44-48, Luke 17:7-10

1. Pressure is inevitable. It's just part of life. Have you tended to live by priorities or by responding to pressures? If by priorities, how did that come about?
2. Today we looked at five priorities of a biblical Christian. Which of those is your strongest and why? Which is your weakest, and what can the men at your table do to help you in that area?
3. The Big Idea today is that priorities help us manage the pressures that would otherwise manage us. What has occurred to you today about priorities that can make a tangible, practical difference in your life and the lives of those you are discipling?
