

The Empty Tomb: What (Else) Was Missing?

Matthew 27:61-28:8 & Luke 23:55-24:12

1. What are some of the objections you have heard to Christianity? Have you ever heard any objections based on the historical accuracy of the resurrection? How did you respond?
2. How do you think the disciples felt after Jesus was buried? Why didn't they remember what Jesus had told them about rising again?
3. What happened to your sin when Jesus died? What does his resurrection mean to you in the way you live your life every day?
4. What would you say to someone who says, "It doesn't matter whether Jesus *actually* rose from the dead. He's still a great teacher"?
