

## Jesus the Tender Warrior

*John 21:1-25*

1. Do most of the men you know have deep friendships? Why or why not?
2. Do you know someone who believes (or believed) they have done something so bad that they can't be forgiven? What were the circumstances? After today's study, what would you tell them?
3. Jesus works hard to show the disciples that he really cares for them personally. Do you feel like Jesus is a friend to you? Why or why not? What would need to happen for you to live for Him the way Peter lived for him?
