TABLE TALK:

1. Why do you think so many men live their lives focused on themselves? How have you seen this in your own life?
2. "God gives gifts to us for the good of others and for His glory." Considering your gifts, abilities, circumstances, and relationships, what does this mean to you?
3. Are you using your strongest gifts mainly for yourself or for the benefit of others? Why and how?
4. "You need to have a deep, intentional, spiritual impact in one person's life. (You'll love it and God gets the glory.)" Can you identify a person that you are discipling with intentionality? How is it going? If not, what would it take for you to make that happen?
