What Can You Do When The “Wow” Wears Off?

Nehemiah 5:6-19

NOTES:

The Big Idea: _____

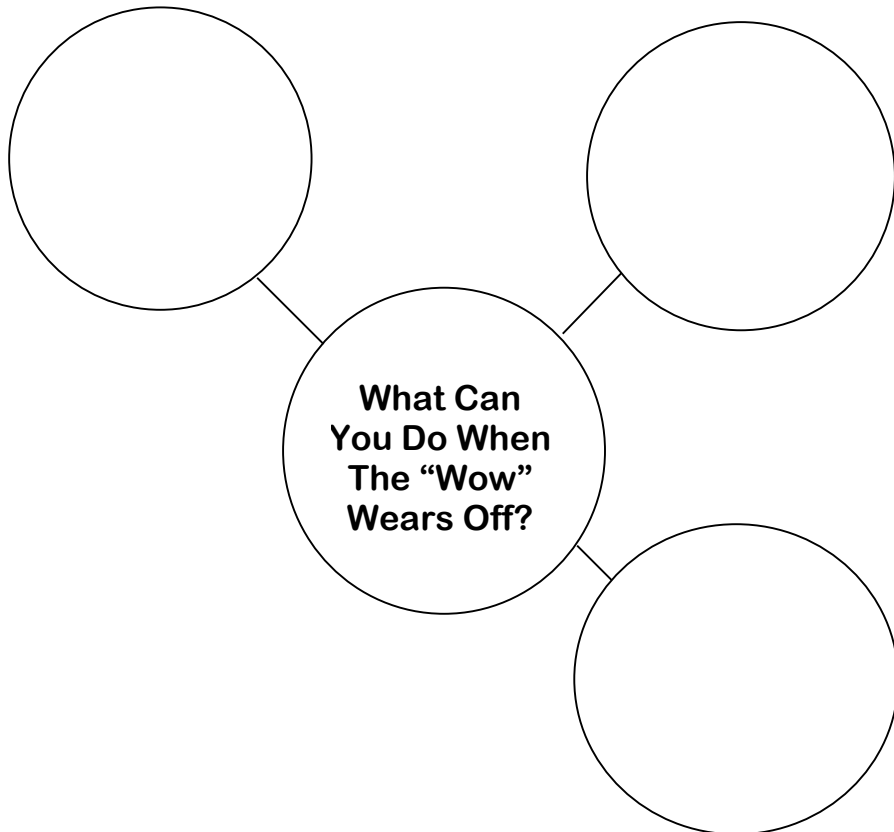

TABLE TALK:

1. Do you remember how enthusiastic and hopeful you were when you took the first steps to rebuild your “country?” Do you still have that “wow” factor, or has it worn off? How about those who shared the vision?
2. Nehemiah 5:1-5 described a bottleneck that could have easily put an end to the “wow” of Nehemiah’s vision. What was it? How did he react in verse 6? What did he do about it in verses 7-19?
3. Do you generally shrink from bad news or meet it head on? What is the one bottleneck that, if removed, will most lead to an acceleration toward your goal? What’s your next right step to deal with it? What are you planning to do?
