#### Questions

1. “No unmet need troubles men more deeply than feeling like our lives have no purpose. This frustration is even more acute for Christian men, not because we think finding our purpose isn’t possible, but because we’re sure it is. That’s what the Bible says, and that’s what we’ve been taught.” Please comment.
2. What is a disciple?
3. Do you understand that God’s purpose for your life is for you to become His disciple? What, if anything, has been holding you back from fulfilling it?
