**TABLE TALK:**

1. “The Holy Spirit usually does his best work when people know what they’re doing— whether that’s piloting a plane, performing surgery, programming a computer, repairing a stopped up drain, selling a car, or rebuilding a country.” Please comment.
2. In Nehemiah 13:7, 10, 15, and 23-24 we looked at four “situations.” What did Nehemiah know to do in these situations that helped sustain the changes he had started earlier?
3. Do you know what you’re doing when it comes to rebuilding *your* “country”? What have you learned in this series that will help make the changes you want stick? What else do you need to separate yourself as a successful leader? What’s your next step?
