Exodus 3; 2 Samuel 11; Acts 11

NOTES:

TABLE TALK:

1. “Most men tend to isolate when they’re facing a problem.” Do you agree or disagree with this? Is it true for you?
2. Can you think of some men in Scripture besides the ones we talked about today for whom isolation led to their downfall? What about men whose friendships were of great benefit to them?
3. How many men around the table have at least one close male friend? What are some of the benefits?
4. Will you commit to taking on another guy from your table as a battle buddy this week? Exchange numbers, emails and a prayer request or two right now.
