Is America Ripe For Another Great Awakening?

Nehemiah 8-10

NOTES:

The Big Idea: _____

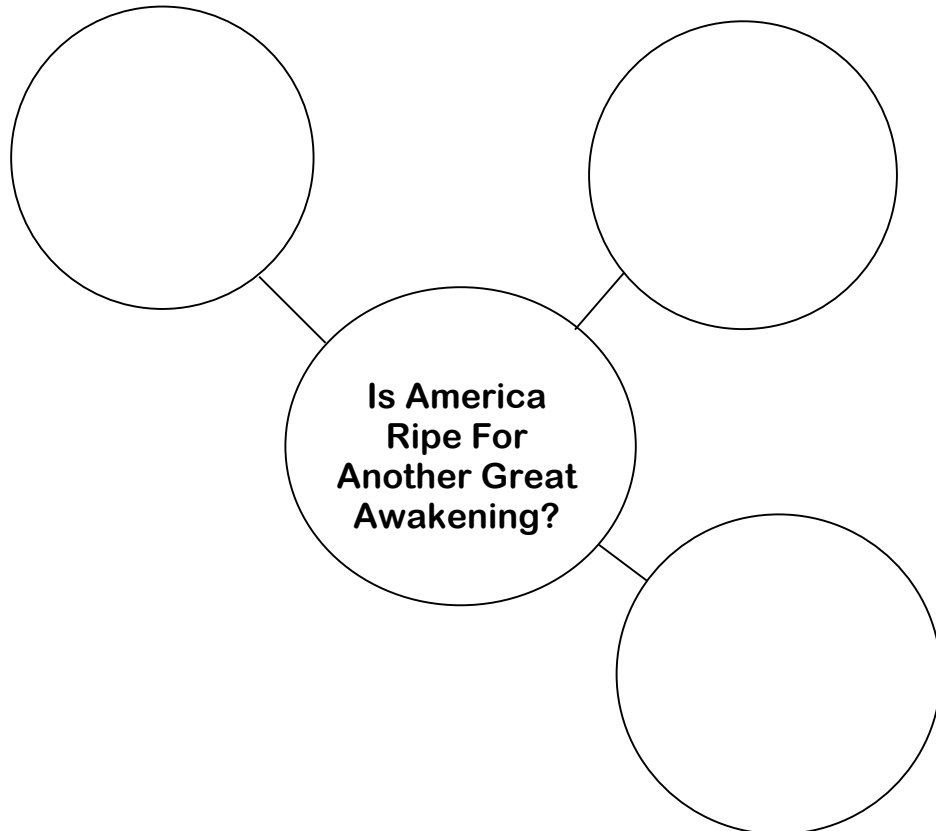

TABLE TALK:

1. Do you feel like we live in a divided nation, and why or why not? Can you think of any solution to our problems other than a wholesale spiritual revival and awakening?
2. Today's text illustrates part of a pattern that repeats throughout the Old Testament:
Prosperity→Rebellion→Discipline→Repentance→Revival→Prosperity. What are the elements that can lead to revival that are mentioned in today's three chapters?
3. We have not had a spiritual awakening in America of historic proportion for a long time. An awakening occurs when God supernaturally achieves in a short span what otherwise seems impossible. While the timing belongs to God alone, He has given us the privilege of hastening the day through humble repentant prayer. Where do you see the need for an awakening? How can you be God's agent to hasten the day when God sends His Spirit so powerfully that people humble themselves, pray, seek His face, and turn from their sins so that He can hear, forgive, and heal our land? (see 2 Chronicles 7:14)
