#### TABLE TALK:

1. What are the forces at work in our culture that lure men toward a tepid, lukewarm, self-centered manhood?
2. Our Scriptures today describe two very different journeys. What are the forces at work that beckon men toward biblical manhood?
3. Many men—even men who believe in Jesus—cling to the illusion that they can find an abundant life apart from God. Or they think they can have the best of both worlds. Are you that man? Or have you fully surrendered to a journey toward biblical manhood? Which of the practices mentioned today would most help you accelerate toward biblical manhood?
