1. Who is someone you deeply respect, and why is that?
2. This week's perspective is that the Bible is "the knowledge and the power of God by which I am transformed, not so much by overt action, but as the residue of communion with the living Word which brings a sinner like me into the presence and power of the Almighty." How has regular exposure to the word of God changed your life? Give an example.
3. If you continue on your current trajectory, where will you be in 10 years? Is that where you want to be? What, if anything, will need to be transformed? How will that happen?
