**TABLE TALK:**

1. Most men cut corners on little things, such as speeding, taking office supplies for personal use, saying "I'll pray for you" without really meaning it, or making work promises they know they won't keep. Do you agree or not, and please explain why. Can you give an example?
2. Why is integrity in seemingly little things (like the ones mentioned in question #1) an issue according to Luke 16:10? What is the issue according to verse 11? What is the issue according to verse 12?
3. Today's Big Idea helps us understand integrity from God's perspective—a perspective that both Joseph and Job understood. What strikes you about the way Joseph and Job held onto their integrity? How close are you to a one-to-one correlation between your Bible, your beliefs, and your behavior?

Our mission is to help you grow as a disciple and disciple-maker—starting at home.
