The Big Idea: _____

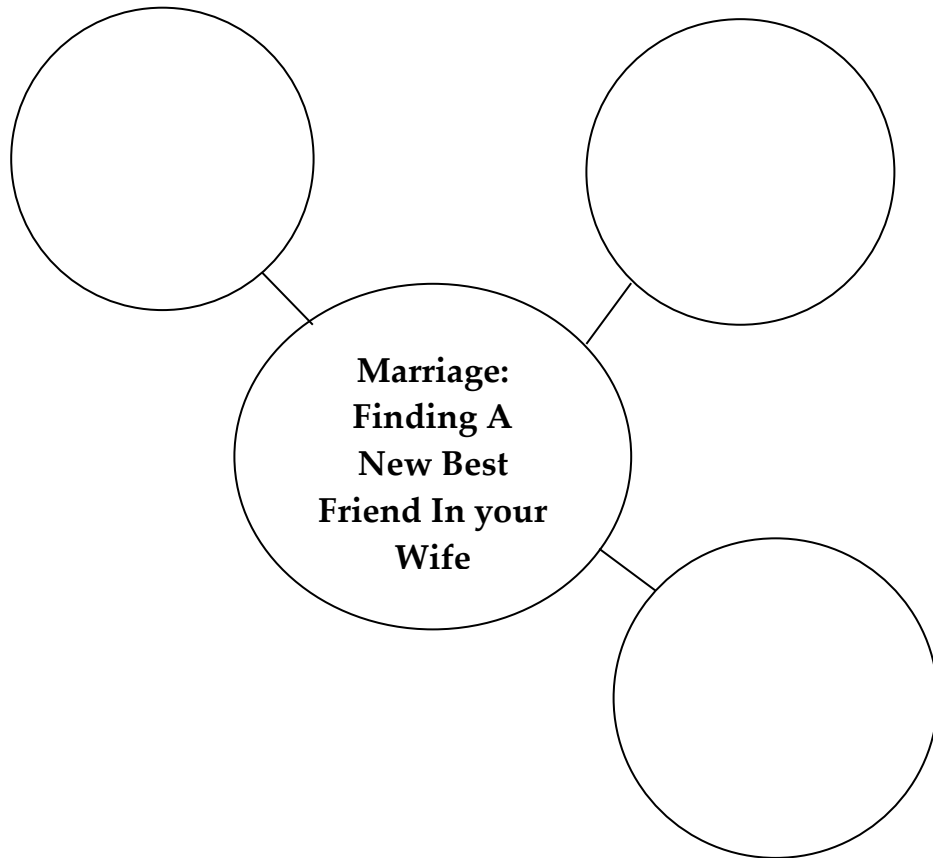

TABLE TALK:

1. Are you married? If not, do you want to be married? What do you think you can get from being married that you can get no other way?
2. Today's verses are the irreducible minimums that summarize what the Bible says about marriage. What one verse has most impacted you, and why?
3. The Big Idea is, "After God, but before all others, make your wife your top priority." First, do you think this a good credo for you to personally adopt, and why? Second, what are two or three things you could do over the next few days that would send your wife or future wife the message that she really is your top priority after God?
