The Big Idea: _____

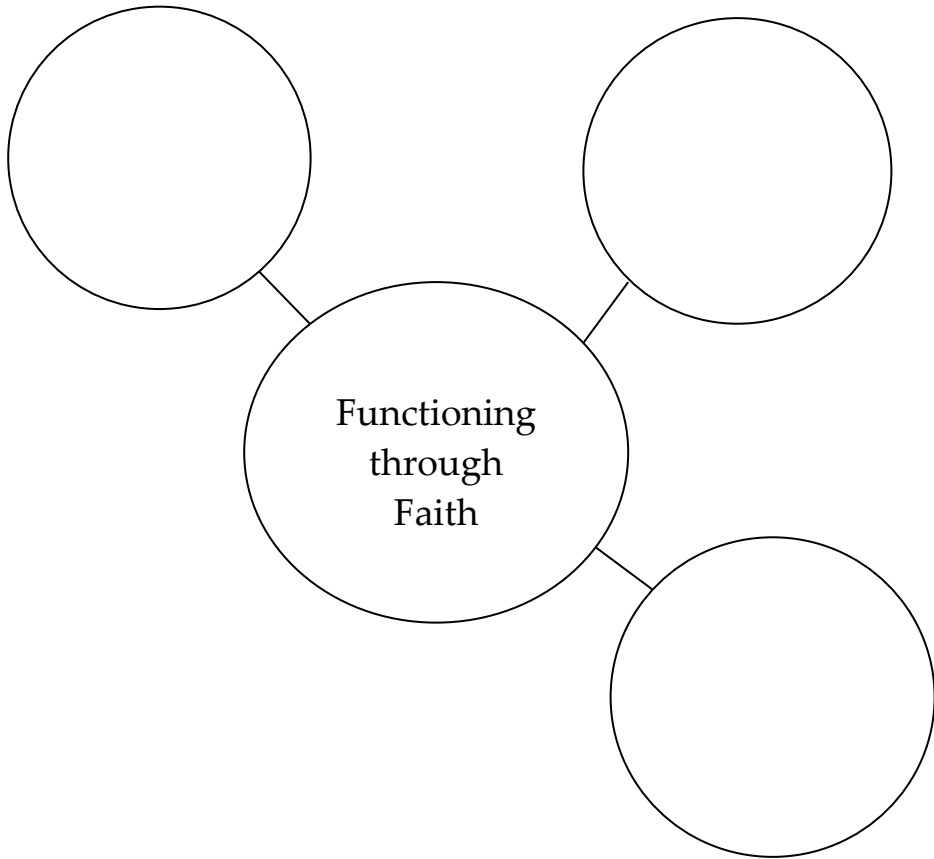

TABLE TALK:

1. When we are faced with difficult situations, or any situation for that matter, why do we always try to find the solutions ourselves when we say we believe and trust God?
2. Based on today's lesson and the scriptures presented, how can you learn to apply faith to your situations?
3. Think about the last difficult situation you faced, and how you handled it. Could the outcome have been different if you leaned on faith? What steps of your process could have been avoided?
