

# THE MARRIAGE PRAYER CHALLENGE

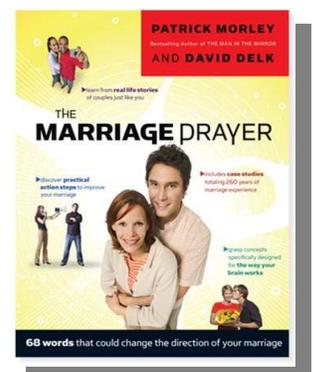

What might God do if every married person in your church and community prayed for their spouse every day?

**Here's a simple plan to help make that a reality!**

## Implementing The Marriage Prayer Challenge in Your Church

- Show the prayer to the leaders of your marriage or adult ministries. Paint a picture for them of what it would be like if every married person in your church prayed for their spouse every day. Pray together that God would do something great in the lives of your people.
- Download and print cards (or purchase them at [www.themarriageprayer.org](http://www.themarriageprayer.org)) for every couple in your church.
- Kick off your emphasis at weekend worship services and/or a special dinner or dessert. If you do a special event, invite several couples to give testimonies. Or consider using our *Marriage Prayer: Evening for Couples* event as a Faculty-Led or You-Teach-It experience.
- Use the posters, bulletin inserts, email headers, powerpoint backgrounds, and message outlines found at [www.themarriageprayer.org](http://www.themarriageprayer.org) to support your emphasis.
- After introducing the concept to your church, ask couples to commit to pray **The Marriage Prayer** every day for 21 days. Send an email each week during the 21-day challenge reminding couples to pray for their spouse.
- If desired, use *The Marriage Prayer* book with couple's groups or an adult class at the church.
- **Watch God work** in the lives of your people!

**Perfect for Valentine's Day!**
