This important week of **National Training** and **The Man in the Mirror Leaders Conference** is vital for our Area Directors, Field Representatives (Field Reps) and their wives. It is an annual time for our nationwide staff to gather for fellowship and reunite all of you at one time, in one place for one conference. You'll also receive practical information to take home and implement into the work of Ministry Partner Development and the ministry of your regional coalition. We cannot emphasize enough the importance of you and your wife attending National Training and FUEL! Make plans to join us! 1 Peter 2:9
